VILLAGE OF MANOR
BYLAW NO 2026-03

A BYLAW TO PROVIDE FOR THE COLLECTION OF WASTE AND OTHER REFUSE WITHIN THE VILLAGE OF MANOR.

The Council of the Village of Manor, in the Province of Saskatchewan, enacts as follows:

1. In this Bylaw, the following definitions shall apply:
   a. "Construction and Demolition Waste" means all waste materials from excavation, building construction, building repair or alteration, debris from any building removed, destroyed by fire or any other cause;
   b. "Council" shall mean the council of the Village of Manor;
   c. "Hazardous Waste" means a waste that:
      a. Because of its quantity, concentration or physical, chemical or infectious characteristics, either individually or in combination with other wastes, is an existing or a potential threat to the environment, human health or other living organisms; and
      b. Is designated in the regulations to be hazardous waste;
   d. "Municipality" means the Village of Manor;
   e. "Occupant" means a person, who, alone or with others, is in charge of or possession of a premises;
   f. "Owner" means a person who is the legal or beneficial owner of a premise;
   g. "Refuse" shall mean all wastes including domestic waste and rubbish, street cleanings and yard clippings;
   h. "Representative" means the Village Administrator, Village Foreman or a person designated by the Council;
   i. "Residential Collectable Waste" means waste produced or generated on a residential dwelling location but does not include residential non-collectible waste;
   j. Residential Dwelling Unit" means:
      a. Any single building situated on real property for which a separate certificate of title has been issued, and which is principally used as a single-family dwelling unit;
      b. Any townhouse, condominium or row housing units;
   k. "Residential Non-Collectable Waste" means waste produced or generated on a residential dwelling location from construction and demolition waste and bulky waste.
   l. "Metals" means large metallic objects such as major appliances, water heaters, stoves, furnaces, washers, dryers, refrigerators, deep freezers, dish washers, bed springs, fencing, gates, etc;
   m. " Tipping Fees" means the fee payable to the Village of Manor set out in Schedule "B" which forms part of this bylaw, for the removal of waste to the Transfer Station;
   n. "Transfer Station" means the municipal Transfer Station located on; SE ¼-32-07-01-W2

2. The Village of Manor shall employ or enter into a contract with such numbers of people or companies as may be deemed necessary, owning or possessing equipment, in the Council's opinion reasonably adequate for the purposes required for the collection, removal and disposal of refuse and rubbish accumulated in the Village of Manor as herein provided for.

3. Residential collectable waste in the Municipality shall be collected only by an employee of the Municipality or by a person or corporation contracted by the Municipality for that purpose.

5. No person shall take to, or cause to be taken to, placed or dumped in Transfer Station grounds the following material: concrete, liquid paint, pesticide containers, asbestos material, hazardous waste, grain, petroleum waste, tires, asphalt shingles, or dead animals.

6. All residential collectable waste and recyclable material shall be placed in the proper bins adjacent to the curb in front of the residence.
   a. The owner or occupant of the premises shall place all bins out for collection by 8:00 a.m. on the morning of the collection day and return them to their usual storage place on the day of collection.
   b. The owner or occupant of premises from which waste is to be collected shall place the bin with wheels against, or as close as possible to the curb, or in front of a snowbank. Bins must not be placed on the sidewalk or on a snowbank.
   c. Bins must be placed at a minimum of 3 feet from a parked vehicle.
   d. All waste must be contained inside the bin, with the lid properly closed.
   e. No person shall place any explosive or highly flammable waste in any bin for collection.
   f. No person shall place for collection of bundles, packages or other material beside a waste or recycling bin.

7. Where a commercial container is used, it must be placed on firm, level ground and be accessible for collection and disposal by the Container Waste Collection Contractor.

8. Any person carrying out the construction or alteration of any building or structure shall:
   a. Be responsible for the disposal of all waste resulting from the construction or alteration;
   b. Place all waste and litter into a suitable container so as to prevent it from blowing around;
   c. On completion of the construction or alteration, clear the grounds on which the construction or alteration was made.

9. Any person wanting to haul refuse or waste to the Transfer Station may do so during the hours set by resolution of council; the garbage is to be deposited in the location specified by the operator of the Transfer Station.

10. Any licensed contractor wanting to haul refuse or waste to the Transfer Station may do so during the hours set by resolution of council or by making arrangements with the Village Foreman to haul during hours other than those indicated in Schedule "A".

11. No person shall dispose of any refuse, waste, metals, tires, or any other waste materials, at the gate, or on the roadway, or road right of way leading to the Transfer Station in accordance with the Litter Control Act, R.S.S.1978.

12. No person shall remove, disturb, or take away any material, object, or thing from the Transfer Station without the express consent of the municipal representative of the Village of Manor. The Municipality shall own and have sole right to dispose of all waste collected and delivered to the Transfer Station. From time to time the Council of the Village of Manor may appoint a person for the clean-up and removal of certain waste from the Transfer Station.

13. Absolutely no burning is permitted at the Transfer Station unless carried out by the Village of Manor or its representative and such burning is carried out according to the regulations as set out by Saskatchewan Environment and Resource Management and as permitted by the Clean Air Act of Saskatchewan.

i. For the first offense, to a fine of not more than $1,000.00 and to a further fine of not more than $50.00 for each day during which the offense continues;

ii. For the second offense or a subsequent offense, to a fine of not more than $5,000.00 and to a further fine of not more than $50.00 for each day during which the offense continues.

c. A corporation which commits an offense is liable:

i. For a first offense, to a fine of not more than $5,000.00 and to a further fine of not more than $500.00 for each day during which the offense continues;

ii. For a second offense or subsequent offense, to a fine of not more than $10,000.00 and to a further fine of not more than $500.00 for each day during which the offense continues.

15. Any and all previous Garbage Disposal bylaws are hereby repealed.

16. This bylaw shall come into force and take effect on the date of final reading thereof.
